

§ 97.210 Preliminary statement on novel variety developed in a foreign country.

When the novel variety was developed in a foreign country, the preliminary statement must show (a) the information specified in § 97.209 (c) through (e) and (b) whether, and if so, when and under what circumstances the novel variety was introduced into the United States by or on behalf of the party.

§ 97.211 Statements sealed before filing.

The preliminary statement shall be submitted in a sealed envelope bearing the name of the party filing it and the number and title of the priority contest as shown on the notice issued by the Office. The envelope should be enclosed in an outer mailing envelope marked "To Be Opened Only by the Commissioner."

§ 97.212 Correction of a statement on motion.

In case of material error arising through inadvertence or mistake, a preliminary statement may be corrected upon a satisfactory showing to the Commissioner that the correction is of material significance. Correction of the statement must be made as soon as practicable after the discovery of the error.

§ 97.213 Failure to file statements.

If any party to a priority contest fails to file a preliminary statement, he or she shall be restricted to his or her earliest effective filing date.

§ 97.214 Access to preliminary statements.

The preliminary statements shall be open to the inspection of any party after the date set for the filing of preliminary statements (§ 97.207(b)), but shall not be open to inspection prior to that time.

§ 97.215 Dissolution at the request of the Commissioner.

If during a priority contest, information is submitted or found which, in the opinion of the Commissioner, may render the variety ineligible for a certificate, the priority contest may be

suspended by the Commissioner and referred to an examiner for consideration of the matter. The parties will be notified of the reason for the suspension. Arguments of the parties regarding the suspension will be considered, if filed within 60 days of the notification. The suspension will then be continued, modified, or dismissed, in accordance with the determination by the Commissioner.

§ 97.216 Concession; abandonment.

(a) An applicant or a certificate holder involved in a priority contest may, at any time, file a written concession of priority, or abandonment of the certificate, signed by him or her. Upon the filing of such an instrument by any party, the decision shall be rendered against the interested party by the Commissioner.

(b) A concession of priority may not be made by an assignee of a part interest.

§ 97.217 Affidavits and exhibits.

Affidavits and exhibits, including official records and any special matter contained in a printed publication, pertinent to the issue involved in the contest, may be introduced as evidence in a priority contest by any party to the contest. In the case of official records and printed publications, the party introducing the evidence shall specify the record or the printed publication, the page or pages to be used, indicate generally its relevancy, and submit to the Commissioner the record or authenticated copy, or the printed publication, or a copy. Copies of affidavits and exhibits, including any record or publication, shall be served by the Commissioner on each of the other interested parties.

§ 97.218 Matters considered in determining a priority.

In determining priority, the Commissioner will consider only priority of development based on the evidence submitted. Questions of novelty generally will not be considered in the decision on priority. The Commissioner may refer proposed findings of fact, conclusions, and notice of priority to the Board for an advisory decision.
